### CONNECTING FARMERS

3	7:10 (10 min)	<b>On the Farm</b> What's happening on the farm – quick round robin by board members+	Information	All board members+	N/A
<ul style="list-style-type: none"><li>Jay: We now own almost 2 acres on the coast; we're going to raise bees so we'll be in production!</li><li>Larry: Busy time for nursery industry; balling trees last weekend; trying to get stuff out of ground; bigger nurseries in area can't guarantee supply due to labor shortages.</li><li>Joe: Just trimmed grapes; planted new ones getting ready for year; positioning event space.</li><li>Al: Retired; not actively farming; trespass issues.</li><li>Helen: End of year books; no more green house stuff for the farm; 5 months of the year 7 days a week will be free!</li><li>Deniece: Just started digging after rains; transplanting trees; planting when weather lets them; bad weather propagating in green house.</li><li>Scott: Been out when dry putting up fences; when wet, putting out chicken tractor; 300 layers ordered.</li><li>Pete: Wrapping up pumpkin seeds; filled existing orders; moved down waiting list; meeting with tax attorneys and estate planners; still planning a move.</li></ul>

**Larry:** Curious to hear thoughts on annual meeting ... different venue; spent more money; thought it was great; others?

- Deniece: Nice change; enjoyed it more than Monarch Hotel.
- Helen: Good turn out; venue was excellent.
- Al: Great venue, food, turnout; speaker did a good job.
- Joe: Enjoyed hosting it.
- Larry: Next year; do it at Iverson's? Do not need decision but need to think about county pays for everything versus cost-share.

➤ **ACTION:** Larry/Jay to have conversation sooner rather than later with Clackamas County FB about 2022 annual meeting.

**Larry:** Thanked Joe, Al, Scott, Helen and family, and Jay for attending OFB Convention; meeting was not as contentious as he thought it would be; unopposed elections.

## Multnomah County Farm Bureau BOARD MEETING MINUTES

Date/Time: January 20, 2022, 7:00 – 9:00 PM

Location: Rossi Farms, Zoom or Call-in

- Jay: Impressively big but functional group with surprisingly diverse views.
- Scott: Pretty impressed: expectations were ~low but OFB staff were impressive; stronger organization than he thought; not obvious if there are factions; cordial and friendly; good experience.
- Larry: Informative for more elected officials to attend so they understand where policy book comes from.
- Scott: Done some polling in state and farm community ranked highest in state for likability and trust.
- Larry: Aspects of the poll that they were pleasantly surprised about the view of hunters, fishers, farmers, etc.

**Larry:** Did not attend nearly as many seminars during the AFBF Convention as he wanted; wasn't as impressed this year. Three big takeaways: 1) Zippy in opening remarks said if we want to grow membership we need to diversify with underrepresented groups; small nontraditional, nonconventional farms; 2) During county showcase one county gave away silicon wedding rings; all states and counties could do this – buy these rings to prevent injuries; medal wedding rings may not be the best option; and 3) WA state farm bureau president said appreciated associate member money as it allows urban counties ability to advocate where it's needed most.

- Joe: Agreed; enjoyed being there; nice to see fellow farmers.
- Al: Appreciated opportunity to go; disappointed with some of the topics so didn't see a lot of connection to our county.
- Larry: They may have struggled to get presenters this year compared to others; most value is meeting farmers from other areas, even others from Oregon; creating relationships with people.
- Al: Thanked national and Oregon staff for organizing parts of their convention.
- Helen: Motivational speaker?
- Larry: Former air force pilot: Murph Murphy; talked about mission planning process; he talks to business about planning; e.g. instrument panel; in business, figure out key issues and make sure key issues are handled well; after the fact need to analyze how to do things better.

5	7:35 (5 min)	<b>Membership</b> <ul style="list-style-type: none"><li>• Numbers to date</li><li>• <b><i>New members</i></b></li></ul>	Information/ <b><i>Decision</i></b>	Larry Bailey	a) Membership Report
---	-----------------	---	--	--------------	----------------------

**Larry:** Numbers to date 701 and 63; not sure where we are compared to last year; list of unpaid members.

- Deniece: Sent packet today; expiration report; mailed it with check.
- Jay: 2 new supporting members and 1 new voting member.
- Larry: Reviewed names of new members; address for voting member is a condo; we tend not to do a lot of vetting.
- Helen: Usually signed up by Country Insurance.
- Larry: Application was processed up by OFB2; other supporting member on Clark Street; voting member would have had to had certified.
- Jay: Could do more sleuthing if they desired.

➤ **ACTION:** Jay to look for most recent list of unpaid members and reach out to them.

[Motion: Passed/carried](#)

- Larry: Always feels a little strange approving new members without any vetting; will continue unless someone asks for more information; Clackamas?
- Pete: Never heard any discussion about new members.
- Larry: We have to accept them as new voting members; bylaws?

6	7:40 (5 min)	<b>Outreach &amp; Marketing</b> <ul style="list-style-type: none"><li>• Branded gear</li></ul>	Information	Jay Udelhoven	N/A

**Jay:** Have kept in touch with members and other stakeholders through emails, social media, and a winter mail out (annual report). We got the new caps in with the new logo; these are available for promotion and new members; will work on improving swag and on drop ship order options.

### ASSISTING FARMERS & COMMUNITIES

7	7:45 (5 min)	<b>Oregon Child Development Coalition</b>	Information	Jay Udelhoven	N/A
---	-----------------	---	-------------	---------------	-----

**Jay:** During our October meeting we discussed the OCDC. A friend of Al's, Steve Petruzilli, had reached out to him about MCFB engagement. I talked to Steve the other day, he is looking for a farmer, preferably one who is in relative close proximity to HQ in Wilsonville, to participate formally or informally in OCDC ~monthly or quarterly board meetings to provide farmer input. Ideally a farmer who is or employs immigrants.

- Al: Better fit for Clackamas County?
- Scott: No experience with immigrant farm labor; but do have experience with low income housing; could go to one meeting from a finance and construction side for building housing for people who cannot afford it.
- Larry: If Scott is interested, that's great; someone from Clackamas might be better.
- Scott: Could be Plan B if Plan A doesn't come together.
- Larry: Has one farm worker none of which has kids; someone with large operation better: Pete?

➤ **ACTION:** Jay to send Pete information on OCDC request; Pete to bring it up to CCFB.

➤ **ACTION:** Jay to put OCDC request on February Board agenda.

8	7:50 (5 min)	<b>EMSWCD Update</b>	Information	TBD	N/A
---	-----------------	----------------------	-------------	-----	-----

**Larry:** No one from district; Joe?

- Joe: Nothing new to report; strategic planning; social justice; Nancy couldn't attend.
- Helen: Asked Joe if he thought there was a good balance on board.
- Joe: Not a good balance representing farmers; through strategic planning good at negotiating; hoping to devote energy to things that benefit farmers; set group up to be more active with farm bureaus; \$17M? budget; potentially more conversations with them.
- Larry: Something want to discuss later; would love to start more member outreach; people don't realize what EMSWCD does.

## Multnomah County Farm Bureau BOARD MEETING MINUTES

Date/Time: January 20, 2022, 7:00 – 9:00 PM

Location: Rossi Farms, Zoom or Call-in

- Jay: Talked to Nancy Hamilton; she said she'd like to attend more of our meetings; also suggested we hold a joint summer bbq.

9	7:55 (5 min)	<b>Appreciation for Support - RMHC</b>	Information	Jay Udelhoven	a) Cert. of Appreciation - RMHC
---	-----------------	--	-------------	---------------	---------------------------------

**Jay:** Called everyone's attention to the Certificate of Appreciation sent by the Ronald McDonald House for MCFB's financial support last year.

REPRESENTING FARMERS					
10	8:00 (5 min)	<b>OFB/Policy Update</b> <ul style="list-style-type: none"><li>Monthly Member Briefings the fourth Friday of the month at 7 a.m.</li></ul>	Information	Pete Postlewaite/ Larry Bailey	N/A

**Pete:** ODA working on forgivable loan program; \$125K going off taxes for '17, '18, '19 that you could show FSA or crop insurance doesn't cover; implementing it now. Approved all issue advisory committees; can be changed at any time.

- Larry: Pete involved in committee member approval process;
- Pete: The OFB Board approves all committees.
- Larry: Advocate for Scott on land use board; didn't realize deadline or process; submit name to Pete and will follow up with John and then approved by next board.
- Pete: Still gets minutes from labor committee; ag overtime is in leg, courts, and agencies; right now hoping 50 hours is the threshold; will have to keep an eye on it; authorized \$10K toward campaign to fight. Sexual harassment flowchart should be out to counties soon.
- Larry: Unclear if flowchart has been distributed.
- Helen: Asked if counties can contribute to efforts to fight ag overtime.
- Pete: Special advocacy funds available.
- Helen: Will ag overtime be on a ballot?
- Pete: Don't know; at 40 hours nobody is going to win; they won't get overtime.
- Larry: Convo with state rep last spring about this; stated that farmers won't pay it so won't let them go over 40 hours; Rep's response was that Salem attitude was that we're in middle of labor shortage so employers won't have a choice.
- Jay: Reminded everyone Of the OFB monthly policy meetings.

11	8:05 (10 min)	<b>Multnomah County Commission Meeting</b> <ul style="list-style-type: none"><li>Deletion of farm dwelling option</li><li>Follow up opportunity with Commissioner</li></ul>	Information	Scott Reed/ Jay Udelhoven	N/A
----	------------------	---	-------------	------------------------------	-----

**Jay:** Introduced topic and reminded everyone that Scott, Joe, and Jay testified (and OFB/MCFB submitted a formal comment letter) last summer at the planning commission meeting during which the commission voted to forward a motion to remove a provision in county code that allowed farmers to establish a dwelling on farmland under certain conditions. The full Multnomah County Board met in early January to consider removing the option/code; Scott and Jay testified again but again the Board voted to remove the option/code.

## Multnomah County Farm Bureau BOARD MEETING MINUTES

Date/Time: January 20, 2022, 7:00 – 9:00 PM

Location: Rossi Farms, Zoom or Call-in

- Scott: Adam Barber from planning dept didn't accurately represent the discussion at planning commission; strange that they'll make decisions for farmers without talking to farmers; woman who spoke from forest park loves farms as long as they don't disturb her; statewide meeting was impressive but crazy how little fear the county has to ignore OFB; commissioners didn't think twice about it.
- Jay: I followed up with all commission members; District 2 Commissioner Jayapal's office replied and asked for a meeting on 2/4 at 3:30 PM.
- Scott: Would love to be wingman; they need to have a kneejerk reaction; "have you talked to the farm bureau"; right now they don't.
- Larry: I could teach anyone in this room to be a farmer... Micheal Bloomberg.
- Jay: Anyone else?
- Joe: If available will help.
- Deniece: Posed a Measure 47 question.
- Larry: Believe landowners had to have had an application in place at the time.
- Jay: Explained a bit about Measure 47/49.
- Scott: Issue is the farmland that is available is not inexpensive; if you can't finance purchase it's harder to finance land; hard not to be on property; this was the best path if farm wasn't 160 acres, etc; can't do that now.
- Larry: Even the other path (proof of income) cousin had to fight the county for years on it.
- Scott: County is horrible to work with and unchecked; had 5 planning dept head of the last 8 years.
- Larry: Yes, Jay, Scott and Joe please meet with county official.
- Scott: Location set; Rossi farm?

➤ **ACTION:** Jay to set up meeting with County Commissioner and inform Scott and Joe.

----	-----------------	---	------------------	--------------	---

**Larry:** Will address these funding requests one at a time. First, SAI; \$5,200 last year funded two teachers.

- Helen: Don't know if expenses have gone up; can we check to see what charges are?
- Larry: Since they've asked for it, we could do it now and then look at supplementing later.

13	8:20 (5 min)	<b>Thimbleberry Collaborative Farm</b>	Discussion	Jay Udelhoven	N/A
----	-----------------	--	------------	---------------	-----

**Jay:** A rep from Thimbleberry Collaborative Farm called me last month. They are a nonprofit organization that serves East Multnomah County as a regenerative farm, education center and community hub. Suggested they contact EMSWCD and Multnomah County. They are looking for ~10 acres of land to lease on the east side. They'd like to introduce themselves to us next month.

- Larry: Invite them.
- Jay: Land available?
- Larry: They'll need water; most irrigated land probably already has nursery stock on it.

➤ **ACTION:** Jay to invite Thimbleberry Collaborative Farm to next MCFB meeting.

14	8:25 (5 min)	<b>Learning Opportunities:</b> <ul style="list-style-type: none"><li>• OFB Pesticide Training</li><li>• Young Farmers &amp; Ranchers Conference</li></ul>	Information	Jay Udelhoven	N/A
----	-----------------	---	-------------	---------------	-----

**Jay:** Reminder that OFB's **Pesticide virtual applicators' class for 4 CORE credit hours** is Thursday, February 24, 2022, 8 a.m. to noon; the training is \$20 for current voting or supporting Farm Bureau members. Questioned whether this is something we can promote with MCFB members and possibly subsidize.

- Deniece: Sounds like a good idea.
- Larry: We could host one ourselves again; think it's a great idea but not now.

**Jay:** The 2022 American Farm Bureau Young Farmers & Ranchers Conference will take place Feb. 25-28 in Louisville, Kentucky. This could also be advertised to members and possibly sponsor someone.

- Larry: Angie will be at that. Feels more supportive of this than the earlier idea; paid dividends for Angi and Gabrielle; could put it out to membership; personal preference would be to identify someone specifically
- Jay: Someone specific in mind?
- Helen: February might be bad time for nursery guys.

## Multnomah County Farm Bureau BOARD MEETING MINUTES

Date/Time: January 20, 2022, 7:00 – 9:00 PM

- Larry: Thanks for bringing to our attention; if someone thinks of someone we could do by email; long-term people have benefited from these investments.
- Jay: Will try to be more proactive next time.
- Helen: Work on Oregon YFR conference?

➤ **ACTION:** Jay to look in to 2022 Oregon YFR Conference opportunity.

### ASKING FARMERS

No progress to report.

### ADMINISTRATION

15	8:30 (10 min)	<b>President's Report</b>	Information	Larry Bailey	N/A
----	------------------	---------------------------	-------------	--------------	-----

**Larry:** We'll follow up on Scott and land use committee; Chuck Thompson's district 66 position will be an open seat this year; many people running for it; many are in district; opportunity to hear from people who may be supportive of MCFB; have interest in hearing from candidates.

- Helen: Zoom meetings might make it easier
- Larry: Easier to get members to show up; opposition?
- Helen/Joe/Deniece: Good idea.
- Larry: Chuck was one of a few farmers; will explore something next month prior to primary; working on nursery people trying to get them to come to some meetings; encourage members to encourage new membership; Scott is newest person but would be great to get 2-3 new board members. Started better member outreach with pesticide training; might still work but less value now everything is online and easier to find; question for Board, is there interest to explore ideas for member outreach? Would like to do a bbq this summer with EMSWCD and OAN; anyone interested in brainstorming ideas?
- Joe & Scott Volunteered for membership outreach committee; Deniece would volunteer if she had ideas.

➤ **ACTION:** Larry/Joe/Scot/Deniece will chat or email back and forth some ideas; value to members and things we're passionate about doing.

----	------------------	---	-----------------	----------------	----------------------

**Deniece:** Reviewed financials in packet; since we met last time paid several bills recently for OFB, AFBF and MCFB annual meeting... etc. A few things already over budget, but we're getting involved more this year; firearms purchase in the hole about \$550. Promotional materials are over right now, but entire budget is in good shape.

- Pete: Had a meeting with insurance guy from Country Financial; they can house \$100-200k in fund that makes 6-8%.
- Deniece: To look into country financial option; Clackamas County FB?
- Pete: CCFB doesn't do it.
- Deniece: treasurydirect.gov can deposit \$10K and get 7.12%/year; can buy series I treasury bonds; last billing

when I turned in receipts for year; since year ends in September please submit for reimbursements before end of September.

- Larry: Large promotional line item deduction.
- Deniece: Will be working on 1099s; filed extension on tax returns; what would board like her to do? Permission to use other tax company to do it?
- Larry: Is that what you'd like to do?
- Deniece: She can do it because she finished last year's; numbers are easy but questionnaires can be overwhelming; since not creating something new probably okay unless something changes drastically.
- Larry: Should pay to get it done; fine with Deniece; sounds like we should have someone else do it.
- Deniece:
- Helen: No reimbursements for Joe Rossi?
- Jay: Looks like some double charges occurred at OFB Convention hotel.
- Deniece: Joe's hats reimbursement?
- Jay: Joe should now reimburse MCFB for the hat purchases.

- **ACTION:** Pete to connect Country Insurance financial person with Deniece.
- **ACTION:** Deniece to check with new tax company.
- **ACTION:** Jay to check with OFB Convention hotel/Joe/Al/Scott on possible double charges.
- **ACTION:** Joe to reimburse MCFB for original cap purchase.

## Oregon Century Farm & Ranch Program

January 15, 2022

Larry Bailey President  
Multnomah County Farm Bureau  
8325 SE Altman Rd  
Gresham OR 97080

Dear Larry,

Thank you for helping us keep Oregon's agricultural heritage alive! Your support helped us make the 2021 Oregon Century Farm & Ranch Program another great success. In the midst the on-going pandemic, we were still able to honor twelve amazing families with an in-person awards ceremony in August at the Oregon State Fair.

Your donation was recognized on our website. Thank you again for your donation of \$500.00.

It is always amazing to hear each family's story. Thanks for helping our families share theirs!

Every ranch and farm has its unique history and special family story. Our program helps families and communities throughout Oregon celebrate our century-long connections to the land while recognizing Oregon's rich cultural heritage. To date, 1,247 families have formally received the Century designation and 47 families have received the Sesquicentennial Award.

Please encourage your neighbors and customers to apply for the award in 2022. Together we can increase the public's awareness of the role family-owned farms and ranches play in the economic and social vitality of Oregon. Thanks!

Sincerely,

Andréa Kuenzi, Program Coordinator

Thank You

Dear, SABP

Thank you for supporting me in the CCJLA. I have learned a lot this year including doing stuff by myself like walking, washing, and blowing off my cow also feeding him is a lot of work. I enjoy doing cows and I hope to do it next year. I am very thankful for the support that I have gotten, so thank you for ~~supporting~~ supporting my steer.
